

The LWVCO Board of Directors and staff wish you a happy and healthy 2020!

Thank you to everyone who joined us on the November 14th and 15th LWVCO Presidents Calls. We hope you found them helpful and will give us feedback for future calls. The next calls will be January 13th and 14th. Please mark your calendar now.

Volunteers needed:

- Liz Nick, League of Women Voters of Boulder County, chairs LWVCO's Grants Committee. We are looking for two volunteers for this committee. Would you serve? This committee will meet only three times a year, meets remotely (you do not need to drive to Denver!) and makes recommendations on local League grant proposals to the board. Contact the office for more info.
- Will you serve on the LWVCO board? The Nominating Committee is looking for new transformative leaders from across the state. The board meets in person and remotely. Contact the office and let them know your interest.
- The LWVCO Voter Service team is looking for members – please contact the office to learn more about our voter registration and education activities and how you can help!

LWVUS has designated February 14th as a National Day of Action. LWVUS goals for the day are to have at least 600 Leagues across the country participating, bringing together members, partners and allies, uplifting our democratic principles, and increasing the visibility of LWV. You can choose to participate in a big or small way. Deadline for registration is January 10th. You will find a Toolkit and lots more information here. Please consider participating as a local League!

If you are reading The Voter and you are not a member of LWV, we invite you to join now. We need your membership! And whether you are a member and/or an individual who believes in our work, we invite you to make a donation to LWV before year-end. Thank you.

Feel free to contact me if I can assist.

Ruth Stemler, President
