Re: SB22-159 Revolving Loan Fund Invest Affordable House

My name is Jo Feder and I am testifying as a member of the League of Women Voters of Colorado's Legislative Action Committee in Support of SB22-159; Revolving Loan Fund Invest Affordable Housing. The League believes it is important that basic human needs are met. Providing the transformational affording housing revolving loan fund program in the division of housing in the Department of Local Affairs is one important step in meeting the need for Affordable Housing.

Many people who need Affordable Housing do not qualify for traditional home loans. This bill will help provide financial support to unserved or under-served populations. **We urge your support of this bill.**

Sincerely,

Jo Feder
